Announcements:

- We thank the organizers of the market last Sunday for the good running of the event and the output for vocations support.
- We really thank the team of Holy Cross who set our Census Animarum platform. So far we have registered 335 faithful and we continue to encourage all the faithful to register on this platform in order to have an updated list of our faithful. Please register yourself, your children and the sacraments you have received.
- The 27th September a spiritual conference for women will be organized at 2pm in the school hall. Please register in advance.
- As we announced you last week, we have received the permission from our superiors to build our future church and priory. This big project is needed for the good of the parish and community. We kindly call upon your support through prayers and financial contributions. To raise funds for phase one of the project, we have planned our **first Harambee on December 7th, 2025**. For more information you contact Fr James after the mass. Thank you in advance for your generosity.

**Newcomers are warmly invited
to visit the desk at the entry of the church
to get more information,
register on the WhatsApp or telegram group,
and be introduced to a priest and to the life of the parish.**
